Who are the Sitters?

The Nanny Agency, Inc. carefully screens hundreds of applicants each year. We interview, conduct background searches, talk to references and ultimately select the very best child care professionals to represent our agency. Many of our nannies and sitters are college graduates or current students majoring in childhood development, education, or nursing. Others are mothers and grandmothers who have raised their own children and want to continue doing the thing they love most - nurturing kids.

How are the sitters selected?

Each sitter must be knowledgeable and experienced in childcare, provide at least three excellent child care references from non-relatives, have a high school diploma, and be a non-smoker. Each sitter has also successfully passed a background check, which includes checks for motor vehicle and criminal violations, DCFS child abuse and neglect (CANTS report) and criminal sex offenders list
